

Today, 20th September, IGNOU proudly marks 40 years since its establishment through an Act of Parliament in 1985. For four decades, IGNOU has opened the doors of education to millions, pioneering access, inclusivity, and innovation in learning.

This milestone is a tribute to our students, faculty, staff, alumni, and partners whose dedication has made IGNOU a global leader in open and distance education. Together, we will continue to expand the horizons of knowledge and empowerment for generations to come.

Happy 40th Establishment Day to the IGNOU family!

Prof. Uma Kanjilal
Vice Chancellor, IGNOU
