F. No. IG/SOFL/2024/
Dated: 18th April 2024

7269

Sub: Nodal RC for Spanish and German Language programmes-reg.

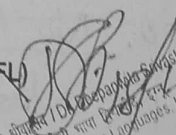

This is in continuation to the meeting of SOFL faculty members with PVC (SKM) on April 09, 2024 and subsequent discussion on April 16, 2024 in PVC's office. It is submitted that at present SOFL is offering several programmes/courses in Spanish and German languages at UG & PG levels (pls refer to the list as placed opposite on the file at F/A).

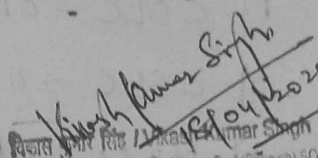

While these courses/programmes in Spanish and German have been activated across all Regional Centres, we continually encounter challenges in empanelling local academic counsellors in these foreign languages. Therefore, as discussed during our interactions, it is proposed that all learner support services, including assignment evaluation and online academic counselling, be facilitated through Cluster Counselling under the territorial jurisdiction of the Nodal Regional Centre.

Specifically, it is submitted that the Regional Centre Delhi-1 be designated as the Nodal Regional Centre to provide all learner support services in respect of these foreign languages programmes/courses. This measure is crucial to ensure the seamless execution of these programmes/courses in Spanish and German, with a particular focus on fostering interaction, communication, and speech-based activities in these foreign languages through active learner engagement in a blended learning framework.

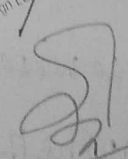

In light of the aforementioned considerations, the undersigned respectfully seeks your approval to formally notify the aforementioned courses/programmes in Spanish and German languages under the purview of the Nodal Regional Centre Delhi-1.

Submitted please.
